

Change of Address

Having your current home mailing address on file with the ERS is very important. Many important documents are mailed to each member such as your *Advisor*, ERS Board of Control Election ballots, Annual Statement of Account, and RSA-1 statement. Please report any change of address to the ERS in writing, with signature, either by letter or [ADDRESS CHANGE NOTIFICATION](#) form. The change of address form can be obtained from your payroll officer or downloaded from our Web site. Address changes cannot be made through email or over the phone.

You may also change your address through Member Online Services on this Web site. You will need to register to login.
