

## Sick Leave Conversion State Police

A member may convert unused sick leave toward meeting the minimum service requirement for retirement eligibility instead of receiving any payment the member may be entitled to receive. The converted sick leave will be used in calculating the retirement benefit.

The following chart is used by the ERS to convert accumulated sick leave days to months of service credit upon service retirement.

Members cannot convert unused sick leave to retirement credit in order to meet the 10 year vesting requirement.

| Accumulated Sick Leave Days | Months of Service |
|-----------------------------|-------------------|
| 0-10                        | 0                 |
