

## Federal Poverty Level (FPL) Discount

### 1. What is the FPL premium discount?

PEEHIP provides premium assistance to qualifying members based on the Federal Poverty Level (FPL). A PEEHIP member who has a combined family income of 300% or less of the Federal Poverty Level may qualify for a reduced premium on his or her PEEHIP Hospital Medical or HMO premium. The discount can reduce the member's premium contribution by 10, 20, 30, 40 or 50% depending on the member's FPL.

### 2. Can I apply for the FPL premium discount at any time?

Yes. You can apply for FPL premium assistance anytime during the year. You will need to submit the [FEDERAL POVERTY LEVEL ASSISTANCE APPLICATION](#) with a copy of your signed Federal Income Tax Return forms and copies of all supporting 1099s and W-2s. ### 3. Can I get the FPL premium assistance for all of my PEEHIP coverages?

### 4. If I apply for FPL premium assistance this year and am approved, do I have to reapply next year?

Yes. The FPL premium discount is effective for the plan year only. Recertification and re-enrollment is required annually during Open Enrollment.
