

Public Education Employees' Health Insurance Plan Wellness Program

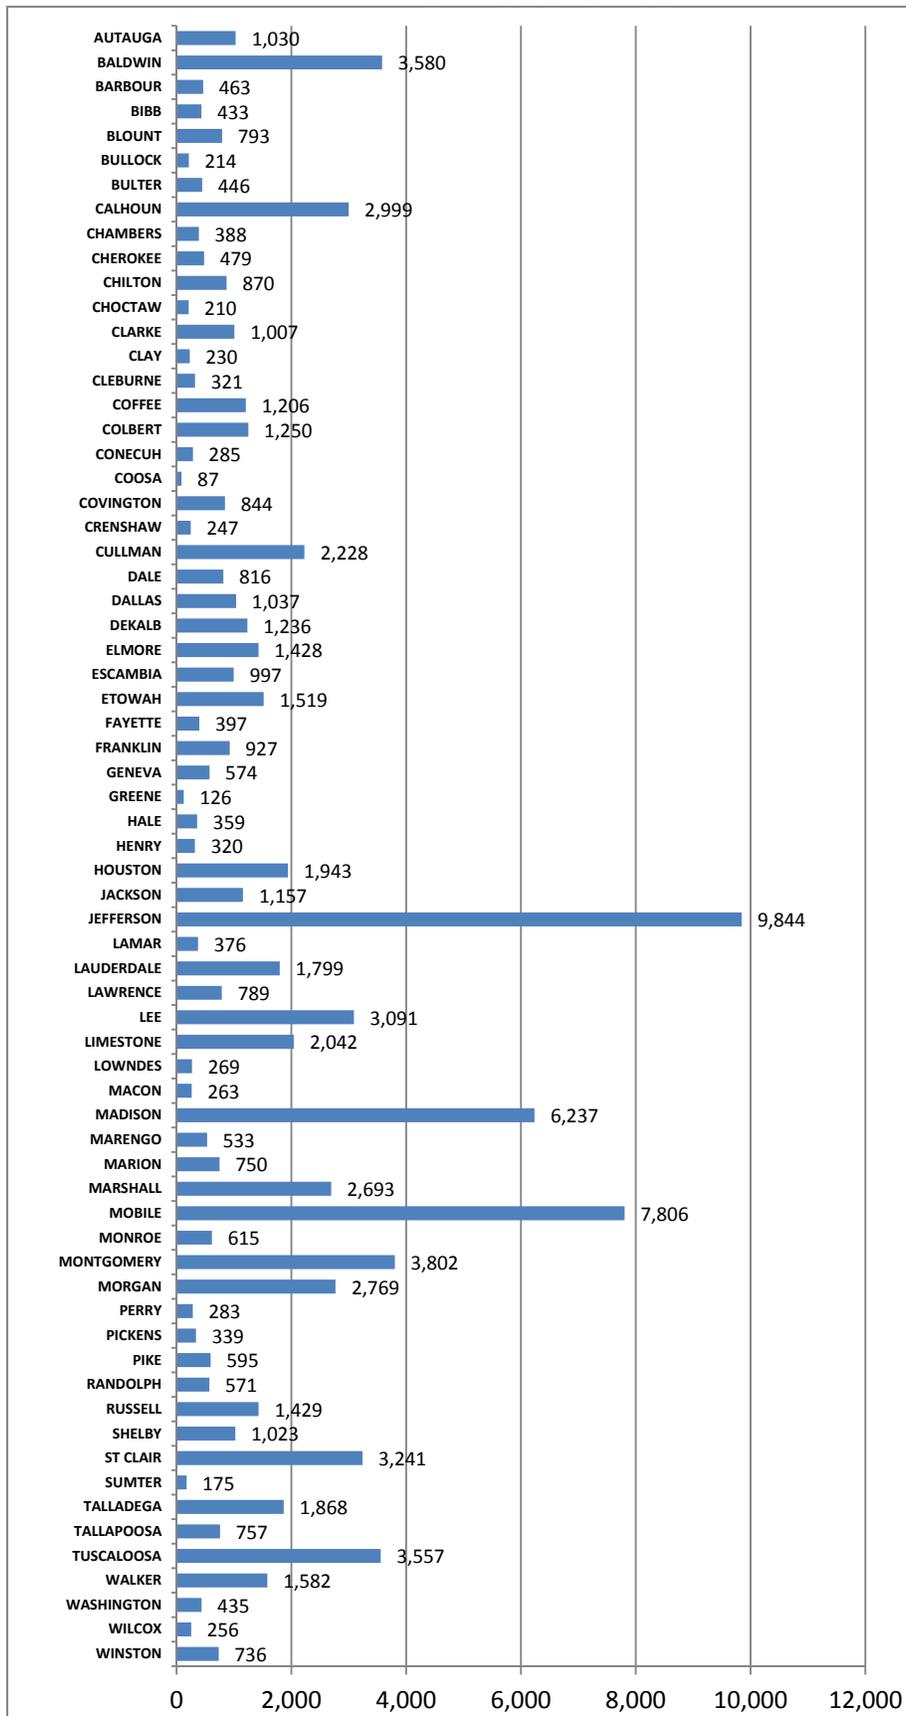

Overview

The Public Education Employees' Health Insurance Plan (PEEHIP) works in cooperation with the Alabama Department of Public Health (ADPH) to implement a statewide Wellness Program for PEEHIP-covered participants. The Wellness Program is intended to assist employees and their families to make voluntary behavior changes which will potentially impact health risks and enhance individual productivity.

The charts and graphs in this report reflect PEEHIP-covered participants' health screenings (both through ADPH and providers) conducted during Fiscal Year (FY) 2015. The table below provides the PEEHIP Wellness Reports for FY 2015 through the date of August 31, 2015.
