Re: ERS Board of Control Resolution

To whom it may concern:

On Friday, March 6, 2015, the ERS Board of Control passed a resolution requiring all candidates to turn in the Letter of Intent and Certificate of Assurance in order to be placed on the ballot for any ERS Board of Control election. Additionally, the ERS Board of Control resolved that with the exception of Active Local Employee positions, candidates will no longer be required to submit a petition for nomination. Pursuant to Alabama law, Active Local Employee position must still submit a completed petition for nomination for candidacy.

Please note that the ERS Election Manual found on the RSA website has not yet been updated to reflect this resolution.

Should you have any questions whatsoever regarding the election process, please contact Deborah Kirk at by phone at 334-517-7192 or email at [deborah.kirk@rsa-al.gov](mailto:deborah.kirk@rsa-al.gov).

Sincerely,

Deborah J. Kirk  
Elections Coordinator
