

2017 Flex Filing Deadline

January 15, 2018

If you were enrolled in the PEEHIP Flexible Spending Account program from October 1, 2016 through September 30, 2017, there is still time to file for reimbursement of expenses incurred by September 30, 2017. Submit your request online at www.healthequity.com/peehip or complete a reimbursement request form by January 15, 2018. Your request must be accompanied by a detailed receipt, invoice or contract and received by the deadline. All unused funds remaining in your Rollover Only and Dependent Care (DCRA) flex accounts after the deadline will be forfeited. Any unused funds in excess of \$500 remaining in your Health FSA after the deadline will be forfeited. Remember, unused funds cannot be refunded. Don't delay, file today!
