A scenic view of a golf course. In the foreground, there are lush green fairways and several sand traps. A small stream flows through the middle ground, with a small waterfall on the right side. In the background, a large, multi-story clubhouse with a dark roof and several towers is visible, surrounded by a dense forest of tall pine trees. The sky is a clear, light blue.

Teachers' Retirement System of Alabama
Employees' Retirement System of Alabama
201 South Union Street
Montgomery, AL 36130

Dear Board Members:

It is with great pleasure that we submit the Comprehensive Annual Financial Report (CAFR) of the Retirement Systems of Alabama (RSA or Systems) for the fiscal year ended September 30, 2009. The Retirement Systems of Alabama includes the Teachers' Retirement System of Alabama (TRS), the Employees' Retirement System of Alabama (ERS), and the Judicial Retirement Fund (JRF). Each system is considered a component unit of the State of Alabama for financial reporting purposes, and, as such, the financial statements contained in this report are also included in the State of Alabama Comprehensive Annual Financial Report.

Responsibility for both the accuracy of the data, and the completeness and fairness of the presentation, including all disclosures, rests with the management of the Systems. Sufficient internal controls exist to provide reasonable assurance regarding the safekeeping of assets and fair presentation of the financial statements, supporting schedules, and statistical tables. We trust that you and the members of the Systems will find this report helpful in understanding your retirement system.

Administration and Plan History

The TRS, ERS, and JRF operate under common management and are collectively referred to as the Retirement Systems of Alabama. In addition to executive management, the TRS, ERS, and JRF share investment management, accounting, and information system services, the costs of which are allocated to the funds on an equitable basis. The TRS was established under the provisions of Act 419 of the Legislature of 1939 to provide benefits to qualified persons employed by State-supported educational institutions. The ERS was established under the provisions of Act 515 of the Legislature of 1945 to provide benefits to State employees, State police, and, on an elective basis, to qualified persons of cities, towns, and quasi-public organizations. The JRF was established under the provisions of Act 1163 of the Legislature of 1973 to provide benefits to qualified judges and justices. Additional information regarding the administration and history of each system, including laws establishing each plan and services provided, can be found in the *Financial Section - Notes to the Financial Statements* portion of this report.

Financial Information

Accounting Method - As required by Generally Accepted Accounting Principles (GAAP), the financial information of the TRS, ERS, and JRF is reported on the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when the corresponding liability is incurred. Investments are reported at fair value.

((Mailing Address) P.O. Box 302150 ♦ Montgomery, AL 36130-2150
(Office Location) 201 South Union Street ♦ Montgomery, AL 36104-0001
334-517-7000 or 877-517-0020
Web site: www.rsa-al.gov

Internal Controls - The management of the RSA is responsible for maintaining the system of internal controls (system). The system provides management with reasonable, but not absolute, assurance regarding the safeguarding of assets against loss or unauthorized disposition and the reliability of the financial records from which the financial reports are prepared. The concept of reasonable assurance recognizes that the cost of a control should not exceed the resulting benefits.

Summary Comparative Data – Management’s Discussion and Analysis (MD&A) includes a narrative introduction, an overview of the financial statements, including the notes, and required supplementary information, and summary comparative data for fiscal years 2009 and 2008. Also, an analysis of significant variances between fiscal years 2009 and 2008 is provided in the MD&A.

Plan Financial Condition

The funding objective of the RSA pension trust funds is to meet long-term benefit requirements through contributions, which remain relatively level as a percent of member payroll over time, and through investment earnings. Historical information concerning funding progress is presented in the *Required Supplementary Information* - “Schedule of Funding Progress” on page 44.

At the date of the latest actuarial valuations (9/30/08), the number of participants in the TRS, ERS, and JRF was 230,416, 136,579, and 699, respectively. The following table compares funded status as of September 30, 2008 and 2007:

Funded Status (%)			
<u>System</u>	<u>9/30/2008</u>	<u>9/30/2007</u>	<u>% Increase/ (Decrease)</u>
TRS	77.6	79.5	(1.9)
ERS	75.7	79.0	(3.3)
JRF	80.1	83.9	(3.8)

Investment Activity

Total investments for the RSA decreased in fiscal year 2009, primarily due to decreases in the fair value of investments. Investment balances for the TRS, ERS, and JRF at September 30, 2009 were \$15.9 billion, \$7.6 billion and \$208.6 million, respectively, compared to investment balances for the TRS, ERS, and JRF at September 30, 2008 of \$17.8 billion, \$8.5 billion, and \$219.1 million, respectively. Total pension fund investments managed by the RSA decreased from \$26.4 billion at September 30, 2008 to \$23.6 billion at September 30, 2009, a 10.6% decrease.

Interest and dividend income for the TRS, ERS, and JRF for the fiscal year ended September 30, 2009 was \$580.7 million, \$285.0 million, and \$7.0 million, respectively, compared to \$705.6 million, \$339.6 million, and \$8.2 million, respectively, for the fiscal year ended September 30, 2008. The decrease in fair value of investments for the TRS, ERS, and JRF for the fiscal year ended September 30, 2009 was \$2.1 billion, \$1.2 billion and \$6.6 million, respectively, compared to the decrease in fair value of investments of \$4.1 billion, \$1.9 billion, and \$46.9 million, respectively, for the fiscal year ended September 30, 2008. Additional information concerning investments, including investment policies and procedures, are located in the Investment Section.

Management’s Discussion and Analysis

GASB Statement No. 34 requires that management provide a narrative introduction, overview, and analysis to accompany the Financial Statements in the form of Management’s Discussion and Analysis (MD&A). This letter of transmittal is intended to complement the MD&A and should be read in conjunction with it. The MD&A can be found immediately following the Independent Auditors’ Report.

Professional Services

Professional consultants are appointed by the Boards of Control to perform professional services that are essential to the effective operation of the TRS, ERS, and JRF. The certification letters from the independent actuary are included in this report. The professional consultants appointed by the Boards of Control are listed on page 10 of this report.

Financial Statement Audit

Carr, Riggs and Ingram, LLC, Certified Public Accountants, issued an unqualified (“clean”) opinion on the RSA’s financial statements for the fiscal year ended September 30, 2009. The independent auditors’ report is located at the front of the financial section of this report.

Highlights and Initiatives

Five of the RSA’s eight hotels have now earned the prestigious Four Diamond Award from AAA, with the Renaissance Montgomery Hotel and Spa in downtown Montgomery being the newest addition. The fundamental hallmarks at this level include an extensive array of amenities combined with a high degree of hospitality, service, and attention to detail. The Robert Trent Jones Golf Trail continued to receive accolades as well. After being named the top value for golf by *Golf Digest* in 2008, two RTJ courses – The Grand National in Opelika and Capitol Hill in Prattville – were ranked at the top of *Golf World* magazine’s 2009 readers’ choice awards.

In other RSA real estate news, the RSA purchased the 34-story AmSouth building in Mobile from bankruptcy court for \$6.75 million. This building has 280,000 square feet of leasable space, of which roughly 180,000 is currently leased. This building purchase also includes a 480-space parking deck as well.

The staff will continue to purchase and develop investments that will facilitate the mission of the RSA. Our aim is to serve the interests of our members by preserving the excellent benefits and soundness of the Systems while providing these at the least expense to the State of Alabama and all Alabama taxpayers. With the continued cooperative efforts of the Boards of Control, the RSA staff, and the Legislature, this goal will be achieved.

Awards

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the Retirement Systems of Alabama for its comprehensive annual financial report for the fiscal year ended September 30, 2008. The Certificate of Achievement is a prestigious national award, which recognizes conformance with the highest standards for preparation of state and local government financial reports.

In order to be awarded a Certificate of Achievement, a government unit must publish an easily readable and efficiently organized comprehensive financial report whose contents conform to program standards. Such reports must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe our current report continues to conform to the Certificate of Achievement Program requirements, and we are submitting it to the GFOA.

The Retirement Systems received the Public Pension Coordinating Council (PPCC) Recognition Award for Funding 2009. The award recognizes organizations that meet professional standards for plan funding as set forth in the Public Pension Standards.

Acknowledgments

The compilation of this report reflects the combined effort of the staff under the leadership of the Boards of Control. It is intended to provide extensive and reliable information as a basis for making management decisions, determining compliance with legal provisions, and determining responsible stewardship of the funds of the TRS, ERS, and JRF.

We would like to take this opportunity to express our gratitude to the staff, the Boards of Control, the consultants, the Legislature, and to the many people who have worked so diligently through continued cooperative efforts to assure the successful operation and financial soundness of the TRS, ERS, and JRF.

Sincerely,

Diane E. Scott
