JRF Member Handbook

*Justices, Judges, Circuit Clerks, District Attorneys
taking office on or after November 8, 2016*

Introduction

The Retirement Systems of Alabama (RSA) is pleased to provide you with the Judicial Retirement Fund (JRF) Member Handbook. This handbook is an important part of our commitment to provide our members with valuable information about their benefits and retirement. Please read this handbook thoroughly and keep it with your other benefit materials. Your member handbook is a very useful tool when you have questions about your benefits and retirement. It will help you make informed decisions about your future.

The JRF was established and created by Act No. 1163, *Acts of Alabama*, 1973 Regular Session. This act provided for the eligibility and membership for Circuit and Appellate Court Judges of the state. Act No. 1205, *Acts of Alabama*, 1975 Regular Session (the Judicial Article Implementation Act), supplemented the provisions of Act No. 1163 and extended coverage of the JRF to District Judges and Probate Judges. Act No. 2015-498 added new plans covering Justices, Judges, Circuit Clerks, and District Attorneys taking office on or after November 8, 2016.

The information in this handbook is based on the Acts of Alabama. This handbook is not intended as a substitute for the laws of Alabama governing the JRF nor will its interpretation prevail should a conflict arise between its contents and the Acts of Alabama. Furthermore, the laws summarized here are subject to change by the Alabama Legislature. Do not rely solely upon the information provided in this handbook to make any decision regarding your retirement, but contact the JRF with any questions you may have about your benefits and retirement.

Membership

Defined Benefit Program

The JRF is a defined benefit plan qualified under Section 401(a) of the Internal Revenue Code. The plan provides disability and service retirement benefits.

A defined benefit plan provides the employee with a specific benefit at retirement by calculating the retirement benefit based on a formula. Benefits are payable monthly for the lifetime of the member, possibly continuing for the lifetime of his or her beneficiary. The *Code of Alabama 1975*, Title 12, Chapters 17 & 18, contains the actual language governing the plan.

Mandatory Participation and Contributions

Justices, Judges, Circuit Clerks, and District Attorneys (DA) elected or appointed on or after November 8, 2016, **must** become a member of the JRF. Members contribute 8.5% to the JRF. The employer's contribution rate is established after each annual actuarial valuation.

Member Online Services (<https://mso.rsa-al.gov>)

The RSA Member Online Services Website offers members a quick way to view their JRF statement, RSA-1 statement, and have the ability to change your address online.

Annual Statement of Account

Your personal Annual Statement of Account is mailed to your home address in early December. The purpose of the annual statement is to provide you with information pertaining to member contributions, accumulated interest, and creditable service. This also provides you with the opportunity to verify your records and use the information for retirement planning.

The statement includes your date of birth, account number, previously-taxed contributions, non-taxed member contributions, total interest, and the balance as of the end of the fiscal year, which is September 30. The Creditable Service

by Category section breaks out the member's service credit by membership and prior service. **All statement information is subject to later audit and correction.**

Designation of Beneficiary

It is very important to keep beneficiary designations current. Failure to do so can result in loss of valuable benefits to survivors.

For non-retired members, the RSA 100-C CHANGE OF BENEFICIARY - PRIOR TO RETIREMENT form is available on our website or you may contact the JRF. You may name more than one beneficiary and designate them as contingent or co-beneficiaries. If at the member's death, there is no beneficiary; the member's estate will be paid the appropriate death benefit.

A retired member who is receiving a benefit under the provisions of Option 2, 3, or 4 retirement allowance may designate a replacement beneficiary for a monthly survivor benefit if the designated beneficiary predeceases the retired member or if the member and the designated beneficiary become divorced. See **Replacement Beneficiary** on page 12.

Change of Address

Having your current home mailing address on file with the JRF is very important. Many important documents are mailed to each member such as your *Advisor*, Annual Statement of Account, and RSA-1 Statement. Please report any change of address by using Member Online Services on our website at <https://mos.rsa-al.gov>. You may also write to the JRF with signature, either by letter or ADDRESS CHANGE NOTIFICATION form. The change of address form can be downloaded from our website. Address changes cannot be made through email or over the phone.

Types of Creditable Service

Creditable service is the total service credit accrued to your account and is one part of the formula used to calculate your retirement benefit. It includes membership service, purchased service, and transferred service. Periods of part-time or less than full-time service should be prorated based on the percentage of time worked in relation to full time.

Membership Service

Membership service is service credit earned as a Judge, Clerk, or DA while a member of the JRF and making contributions to the JRF. Members can only earn a year's worth of service credit in a year's time. Service credit is calculated by your employer and reported to the JRF. Service credit is subject to review, audit and correction by the JRF prior to retirement. Service credit is prorated based on hours worked versus hours needed for full-time employment.

Transferred Service

If a member previously worked for an agency covered under the ERS or TRS, the member must authorize a transfer of service credit to the JRF.

Vesting

Vesting means the member has earned enough service credit to be eligible for a lifetime retirement benefit. Members have a vested status in the ERS after accumulating 10 years of creditable service.

Termination of Service

Ineligible for Retirement

Once a member terminates employment prior to retirement eligibility, he or she has three options:

1. If the member is vested (has at least 10 years of service), retirement contributions may be left in the system until age 62 and the member may apply for service retirement to be effective upon attainment of age 62. If the member withdraws his or her contributions, the member will not be eligible for retirement benefits.
2. With less than 10 years of service, the member may leave contributions in the system for up to five years. If the member has not returned to employment as a participating member, the account will be terminated and contributions plus any refundable accrued interest will be payable to the member.
3. The member may withdraw all retirement contributions and refundable interest. Member contributions are only refunded at the request of the member upon termination of employment and application for refund.

To request a refund, contact the JRF and request a FORM 7, NOTICE OF FINAL DEPOSIT AND REQUEST FOR REFUND and the SPECIAL TAX NOTICE REGARDING YOUR ROLLOVER OPTIONS or download them from our website. Instructions for completing the form are located on the reverse side of the form.

Please read the Special Tax Notice for its valuable tax information. The taxable portion of the refund is subject to federal income tax withholding at the rate of 20 percent unless the taxable amount of the refund is transferred directly (rolled-over) from the RSA to the trustee of an Individual Retirement Account, Annuity, or Qualified Retirement Plan.

If the member elects to receive the refund directly, he or she will be refunded 80 percent

of the taxable amount of the retirement contributions and refundable interest, if any. The taxable portion of the refund may also be subject to a 10 percent additional tax if the member is less than 59½ years old. No portion of the refund is subject to state of Alabama income tax.

In January following the calendar year in which a taxable refund is made, a 1099-R will be issued to the member who has directly received the refund, regardless of whether the individual rolled-over the refund to a qualified plan within 60 days of the date of withdrawal.

Refund of Contributions

A member's contributions are only refundable at the request of the member upon termination of employment and application for refund (FORM 7). There are no partial refunds; all contributions are refunded in full.

Interest on the account is only refunded if the member has at least three years of membership service. The employee is not entitled to the total interest credited to the account.

Table of Refunds

Years of Membership Service	Amt of Interest Refunded	Contributions Refunded
Less than 3 yrs	None	All
3 yrs, but less than 16 yrs	50%	All
16 yrs, but less than 21 yrs	60%	All
21 yrs, but less than 26 yrs	70%	All
26 yrs or more	80%	All

By law, interest is credited on the previous year's average balance at the rate of four percent per annum. Refunds may be subject to a federal tax penalty.

Upon withdrawal, all service credit established with the JRF is canceled. For vested members, the right to lifetime monthly retirement benefits at age 62 is forfeited. No employer contributions are included in refunds paid to the member.

Death of a Member Prior to Retirement

Preretirement Death Benefit

If a member dies prior to retirement, death benefits are calculated and paid to the beneficiary(ies) based on the member's age, service credit, employment status and eligibility for retirement. The preretirement death benefits the beneficiary(ies) or estate will receive are outlined in the chart below.

Member Age	Years of Service Credit	Preretirement Death Benefit
<i>Ineligible to Retire</i>		
Under 62* or 62* and Older	Between 1 and 10	Member contributions, total interest earned, plus an amount equal to the member's salary for the prior fiscal year (October 1 - September 30)
Any Age*	Less than 1 year, death was job-related	Member contributions, total interest earned, plus an amount equal to the member's salary at time of death
Any Age	Less than 1 year, death was not job-related	Member contributions, total interest earned, plus an amount matching the contributions and interest but limited to a maximum of \$5,000
<i>Eligible to Retire</i>		
62* and Older	10 or more	<i>Choice of:</i> (1) Option 3 monthly benefit (50% of member's retirement benefit) to the spouse or beneficiary (this choice is not available for multiple beneficiaries) <i>or</i> (2) Member contributions, total interest earned, plus an amount equal to the member's salary for the prior fiscal year (October 1 - September 30)
Any Age for District Attorneys (DA) with Tier 1 transferred service as an assistant or deputy DA	25 or more	<i>Choice of:</i> (1) Option 3 monthly benefit (50% of member's retirement benefit) to the spouse or beneficiary (this choice is not available for multiple beneficiaries) <i>or</i> (2) Member contributions, total interest earned, plus an amount equal to the member's salary for the prior fiscal year (October 1 - September 30)

* If death occurs more than 180 calendar days after the member's last day in pay status or if the deceased had applied for a refund of contributions or terminated employment, the lump-sum payment will be the same as for status of less than 1 year and not job-related.

The designated beneficiary(ies) will receive the death benefit after the RSA-SB, APPLICATION FOR SURVIVOR BENEFIT, and a certified death certificate have been submitted to the RSA. If there is no designated beneficiary, the death benefit will be paid to the member's estate.

Change of Beneficiary

When a new member joins the JRF, he or she designates a primary beneficiary(ies) and contingent beneficiary(ies) on the FORM 100, MEMBER INFORMATION RECORD. It is very important for the member to maintain a current beneficiary on record. If the member wishes to change the beneficiary designation or designate multiple beneficiaries, the change must be made on the RSA CHANGE OF BENEFICIARY - PRIOR TO RETIREMENT.

If the primary beneficiary predeceases the member, the JRF will pay the contingent beneficiary the death benefit. If at the member's death, there is no beneficiary designated, the estate of the member will receive the appropriate death benefit.

To make beneficiary changes, retired members must contact the JRF for the proper form. See **Replacement Beneficiary** on page 12.

Reporting the Death of a Member

The beneficiary or family of a deceased active member should contact the Payroll/Personnel Officer of his or her place of employment for information and the appropriate forms. The JRF may be contacted if there are any questions about benefits or identity of beneficiaries.

The form to apply for the death benefit payable to the beneficiary of an active member is the APPLICATION FOR SURVIVOR BENEFIT, FORM RSA-SB. A certified original death certificate must accompany the form before the death benefit can be processed.

If the estate is the beneficiary, either Letters of Testamentary or Letters of Administration are also required. If a minor child is the beneficiary, Letters of Conservatorship may be required. Any additional information or forms will be provided to the beneficiary(ies) after receipt of the FORM RSA-SB.

Upon the death of a retired member, the beneficiary or family should contact the JRF for information and the appropriate forms.

Retirement Benefits

Service Retirement

Service retirement benefits are available to members who cease JRF-covered employment and meet minimum service and age requirements. The monthly retirement benefit is paid for life.

A member is eligible to receive retirement benefits when he or she has at least 10 years of service credit and has attained the age of 62.

A District Attorney (DA) who has Tier 1 transferred service as an assistant or deputy DA is eligible for service retirement with 25 years of service credit regardless of age.

Any member convicted of a felony offense related to their public position must forfeit their right to lifetime retirement benefits. The employee will receive a refund of his or her retirement contributions.

To apply for retirement, request a RETIREMENT APPLICATION PACKET PART I from the JRF or download it from our website. This packet includes the FORM 10 - APPLICATION FOR RETIREMENT, INSURANCE AUTHORIZATION FORM (state employees only), and DIRECT DEPOSIT AUTHORIZATION.

The application must be received no less than 30 days nor more than 90 days prior to the effective date of retirement. It is the responsibility of the member to notify the JRF in writing regarding intent to retire. Please include your full name and Social Security number or account number on all written correspondence.

Disability Retirement

If the career of a JRF member is cut short because of permanent disability, the member may qualify for monthly disability benefits. To qualify for a disability benefit, the member must meet all the following conditions:

1. The member must have at least 10 years of creditable service.

2. The member must be an active and contributing member.
3. The ERS Medical Board must determine the member to be permanently incapacitated for the further performance of duty. The Medical Board bases its determination upon information provided by the member's physician.

Maximum monthly disability retirement benefits are calculated identically to those for service retirement.

To apply for disability retirement, request a REPORT OF DISABILITY PACKET and RETIREMENT APPLICATION PACKET PART I from the JRF. The STATEMENT BY EXAMINING PHYSICIAN (included in the REPORT OF DISABILITY PACKET) and the retirement application must be received by the ERS office no less than 30 days nor more than 90 days prior to the effective date of retirement, which is the first day of a month. The member is responsible for notifying the JRF regarding disability retirement.

A disability retiree will be reviewed once each year for the first five years and once every three-year period thereafter until age 62 to determine whether the retired member remains eligible for disability benefits.

Computing Your Retirement Benefit

A member's retirement benefit is calculated based on a retirement formula. The member must be age 62 or older to receive a retirement benefit.

The factors used in calculating this benefit include:

- 1. Average Final Salary:** The average of the highest five fiscal years (October - September) out of the last 10 fiscal years the member made contributions. Partial years are included when calculating the average final salary.
- 2. Years and Months of Creditable Service:** The total amount of creditable service to include membership service, prior service, purchased service, and transfer service.
- 3. Benefit Factor:** The current benefit factor, as established by the Alabama Legislature, is 4% for Judges and 3% for Clerks and District Attorneys.

Retirement Formula for Maximum Monthly Benefit

Judges

Average Final Salary x Years and Months of Service x 4% ÷ 12 = Maximum Monthly Benefit

- ♦ Cannot exceed 75% of Average Final Salary
- ♦ Once a member accrues 18 years of service credit in JRF as a Judge or Clerk, his or her benefit will be 75% of Average Final Salary.

Clerks

Average Final Salary x Years and Months of Service x 3% ÷ 12 = Maximum Monthly Benefit

- ♦ Cannot exceed 80% of Average Final Salary

District Attorneys

Average Final Salary x Years and Months of Service x 3% ÷ 12 = Maximum Monthly Benefit

- ♦ Cannot exceed 80% of Average Final Salary

If no election of an option is made prior to the effective date of retirement, the law specifies that the member will receive the Maximum Monthly Benefit retirement allowance.

Maximum or Optional Monthly Benefit

The member must select either the Maximum Monthly Benefit or one of the Optional Monthly Benefits on the RETIREMENT BENEFIT OPTION SELECTION form. Failure to select either the Maximum Monthly Benefit or one of the Optional Monthly Benefits will, **by law**, result in the Maximum Monthly Benefit as the member's retirement benefit selection.

Maximum Monthly Benefit

The Maximum Monthly Benefit pays the highest monthly benefit to a retiring member of the JRF. This benefit is a lifetime benefit paid to the retiree on a monthly basis. At the death of the retiree, all monthly benefits cease. The designated beneficiary(ies) will only receive a one-time prorated monthly benefit covering the days of the month that the retiree was still living.

Optional Monthly Benefit

A member may provide a benefit for a beneficiary by selecting one of the following options.

Option 1

The monthly benefit under Option 1 is slightly less than the Maximum. This benefit is a lifetime benefit paid to the retiree on a monthly basis; however, if the retiree dies prior to receiving annuity payments exceeding his or her account balance, the remaining annuity balance will be paid to the designated beneficiary(ies). The annuity balance, if any, is the amount of unused contributions and interest remaining in the retiree's account.

Option 2 (100% Survivor Benefit)

Option 2 allows the retiree to receive a reduced benefit over the life of the retiree in return for allowing the designated beneficiary (only one beneficiary may be designated) to receive the same lifetime benefit after the retiree's death. The benefits are based on the variance in age between the retiree and the beneficiary. Once the member retires, he or she cannot change their beneficiary unless the beneficiary predeceases the retiree or if the retiree and the beneficiary divorce. See **Replacement Beneficiary**.

Option 3 (50% Survivor Benefit)

Option 3 allows the retiree to receive a reduced benefit over the life of the retiree in return for allowing the designated beneficiary (only one beneficiary may be designated) to receive one-half the retiree benefit over the beneficiary's lifetime after the retiree's death. The benefits are based on the variance in age between the retiree and the beneficiary. Once the member retires, he or she cannot change their beneficiary unless the beneficiary predeceases the retiree or if the retiree and the beneficiary divorce. See **Replacement Beneficiary**.

Option 4

Members may elect to receive a monthly benefit actuarially equivalent to the regular retirement benefit and must meet the ERS' actuarial assumptions. The monthly benefit paid to the beneficiary cannot exceed the limits determined by federal taxation laws. The ERS Board of Control must approve this option. See **Replacement Beneficiary**.

Replacement Beneficiary

Retirees who elected joint survivor options (Option 2, 3 or 4) at the time of retirement may name a new beneficiary under either of the two following conditions:

- ◆ If the named beneficiary dies before the retired member
- Or**
- ◆ There is a divorce between the retired member and the beneficiary

The retired member should contact the JRF for information and forms. There will be a recalculation of the benefit amount for the retired member and replacement beneficiary. The replacement beneficiary must be in place for at least two years for the monthly survivor benefits to become effective. If the retired member dies within this two year period, only a prorata payment for the portion of the month the retiree was alive will be paid to the beneficiary.

Retiree Information

Direct Deposit

laws at www.1040.com.

- ◆ Health insurance premiums if applicable

Your benefit is not subject to Alabama income tax.

The JRF requires retirees to have their retirement benefit checks sent directly to their bank by electronic funds transfer (EFT), also known as direct deposit. This service is free, secure, reliable, and convenient. Your retirement benefit will be electronically transferred to your account on the last working day of the month.

No check stubs are provided on direct deposit benefit payments.

Tax Information

- ◆ Retirement benefits from the JRF are subject to federal income tax.
- ◆ Previously taxed contributions, including payments made to purchase additional service credit using pre-taxed monies, are exempt from federal taxation over a period equal to the number of monthly benefit payments that the retiree is expected to receive.
- ◆ All retirees will receive a Form 1099-R Income Statement every January for use in filing a personal income tax return.
- ◆ The 1099-R will report the retirement benefits subject to federal income tax.
- ◆ If you reside in Alabama, RSA retirement benefits are not subject to state of Alabama income tax. If you reside in another state, check with that state's revenue department to determine your tax status.

Deductions from Your Retirement Benefit Check

The following amounts may be deducted from your retirement benefit check:

- ◆ Federal income taxes
- ◆ If you move to another state, your benefit will be subject to that state's tax laws. You can find information about other states' tax

RSA-1 Deferred Compensation Plan

The RSA-1 Deferred Compensation Plan was established to allow public employees to defer receipt of a portion of their salary until a later determined date, usually at retirement or termination of service. Because receipt of the income is deferred, the deferred income is not included in the employee's federal or state of Alabama gross taxable income.

The majority of people working today expect their retirement income to come from three sources: their pension plan, Social Security, and personal savings. With experts estimating that a person will require between 70 and 80 percent of his or her preretirement income, increasing your personal savings is a good retirement strategy to help supplement your retirement income.

One way for public employees in Alabama to increase their personal savings and add to their financial security is by investing in an Internal Revenue Code Section 457 Deferred Compensation Plan like RSA-1. RSA-1 offers an easy and flexible way to save for retirement through payroll deduction while providing tax relief today.

Eligibility

Any public official or employee of the state of Alabama or any political subdivision thereof is eligible to participate in the RSA-1 Deferred Compensation Plan, regardless of age or participation in the RSA. Participation in RSA-1 is strictly voluntary.

Enrollment

You can enroll in RSA-1 at any time. There are no administrative, membership, investment transaction, sales or commission fees for participating in RSA-1. All the money you defer and all investment earnings are placed into your account.

To participate in RSA-1:

1. An employee must complete the RSA-1 ENROLLMENT, BENEFICIARY DESIGNATION, and the INVESTMENT OPTION ELECTION FOR NEW ACCOUNTS forms and submit the completed forms to the RSA-1 Deferred Compensation Plan office at the RSA to establish an account
2. Initiate salary deferrals by filing an AUTHORIZATION TO DEFER COMPENSATION form with your payroll officer. Do not send the AUTHORIZATION TO DEFER COMPENSATION form to RSA-1 or the RSA. This form simply authorizes your payroll officer to defer money from your salary.

Easy to Make Deferrals

1. Deferrals may be in any amount desired by the participant as long as the participant does not exceed the maximum deferral allowable.
2. The amount of the participant's deferral may be increased, decreased or suspended as often as the participant wishes, subject only to employer payroll requirements.
3. You can only defer contributions to RSA-1 through payroll deductions.

Rollovers

RSA-1 accepts trustee-to-trustee transfers from other Section 457 plans. RSA members must establish an RSA-1 account prior to the transfer. Funds transferred from other Section 457 accounts must never have been from any source other than 457(b).

Tax Savings

The following is an example of how participation in RSA-1 can help you reduce current taxes:

Assume:

- ◆ An employee earning \$5,000 semimonthly
- ◆ Deferring \$500 into RSA-1 semimonthly
- ◆ Filing as single with one withholding allowance

Contributing to RSA-1		Not Contributing to RSA-1	
Semimonthly pay	\$5,000.00	Semimonthly pay	\$5,000.00
RSA-1 Deferral	\$500.00	RSA-1 Deferral	\$0.00
8.5% Retirement Contribution	\$425.00	8.5% Retirement Contribution	\$425.00
Federal Tax*	\$753.35	Federal Tax*	\$890.96
State Tax**	\$168.00	State Tax**	\$186.00
FICA	<u>\$382.50</u>	FICA	<u>\$382.50</u>
<i>Take-Home Pay</i>	<u><i>\$2,771.15</i></u>	<i>Take-Home Pay</i>	<u><i>\$3,115.54</i></u>

In this example, deferring \$500 only decreases your take-home pay by \$344.39 while saving \$155.61 on taxes.

Member Handbooks

(ERS, TRS, State Police, and JRF)

Each Member Handbook presents an overview of mandatory participation, creditable service, vesting, disability and service retirement, preretirement death benefits and postretirement employment. Each agency is sent a supply of the handbooks. Each new member is mailed a handbook upon receipt of an enrollment form from the employing agency. A handbook can be requested at any time.

RSA-1 Deferred Compensation Plan Member Handbook

RSA-1 is a voluntary deferred compensation plan governed by Section 457 of the Internal Revenue Service Code. The RSA will provide an RSA-1 Enrollment Packet at the request of the member or agency.

Educational Opportunities

The RSA offers its members several opportunities for retirement education. Retirement Preparation Seminars are offered at various sites throughout Alabama. This program helps members to begin or continue their planning and preparation for retirement. The Ret Prep Seminars are full-day programs. Schedules for these seminars are released once a year. The registration packets including the schedule are mailed to Human Resource Offices and Payroll Offices. All schedules and forms are placed on the RSA website for our members' convenience.

The RSA also offers mid-career seminars for members with 1-19 years of service credit. They are called Control Your Money Game. The half-day seminar will help you get and stay on track for retirement.

Individual counseling appointments are offered across the state as well. These are twenty-minute appointments with an ERS counselor. The counselor will answer your questions and review your estimate of benefits. Schedules are released

once a year and are placed on the RSA website. ERS members are always welcome to come to the RSA Headquarters Building on Union Street in Montgomery. To avoid long waiting times, schedule an appointment by calling Member Services at 877.517.0020.

RSA Annual Report

In February of each year, the RSA publishes the Annual Report. The report provides information about assets, investments, membership, the RSA Boards of Control, RSA departments, and financial statements.

Comprehensive Annual Financial Report (CAFR)

The CAFR, which is published annually, provides more detailed financial and actuarial information about the RSA.

RSA Newsletter

The monthly *Advisor* is mailed to each RSA active member, RSA retired member, and any other persons or organizations interested in the RSA. The *Advisor* informs recipients of important topics regarding the TRS, ERS, JRF, RSA-1, PEIRAF, PEEHIP, legislation, investments and counseling schedules. Comparisons of insurance and retirement benefits provided by other states and current information regarding Social Security, taxes and Alabama's economic and political climate are also featured.

RSA Website (www.rsa-al.gov)

The RSA website publishes RSA member handbooks, the *Advisor*, Annual Reports and information about the ERS, JRF, PEIRAF, and RSA-1 benefits. News from RSA features updates on policies, procedures, new legislation, federal laws and other late-breaking events. The website also offers links to other state and federal agencies, as well as RSA's investments, such as the Robert Trent Jones Golf Trail and the Grand Hotel.

Legislative Updates keep members informed

about legislative news, current legislation and archive legislation. Information about Retirement Preparation Seminars, Agency Seminars and Individual Counseling Sessions is listed under Retirement Planning.

Annual Statement of Account

The JRF provides each member a Statement of Account for the year ending September 30. The statements are mailed directly to the member's home mailing address in early December.

The Statement of Account verifies current year contributions and accumulated interest. The total service credit, interest, service purchases, previously taxed contributions, non-taxed contributions, and balance are also provided. The member's designated beneficiary and mailing address as of September 30 are listed. Statements are mailed in late November of each year.

Members should verify the information on the Statement of Account and contact the JRF if any discrepancies are noticed.

RSA-1 Statement

For those electing to participate in the RSA-1 Deferred Compensation Plan, a statement is sent to the member's mailing address quarterly in January, April, July, and October. The member's designated beneficiary is also listed.

Terminated Account Information Request

The JRF may request mailing address information from participating agencies about former employees whose retirement accounts have been terminated due to an absence of participation. The JRF reviews terminated accounts throughout the year and will try to locate the former member to be able to return contributions. Vested accounts (with 10 years of service) will not be terminated.
