

MedImpact Specialty Network for PEEHIP's Specialty Drug Pharmacy Program

Beginning October 1, 2013, MedImpact will administer PEEHIP's specialty drug pharmacy program. Specialty drugs must be filled through the specialty pharmacy network, except for the first fill of a specialty drug which can be obtained at either the specialty pharmacy network or your local retail participating pharmacy. If you are taking a medication that is on the PEEHIP Specialty Drug List, you may use one of the specialty pharmacies below.

The PEEHIP Specialty Drug List can be accessed at www.rsa-al.gov/PEEHIP/pharm-benefits.html. You may contact Participating Specialty Pharmacies as follows:
