Are You Thinking of Retiring Soon?

IF SO, THERE IS IMPORTANT INFORMATION YOU NEED TO KNOW ABOUT MEDICARE

- ◆ If you and/or your dependent(s) are Medicare eligible due to disability or age, you and/or your dependent(s) are required to be enrolled in Medicare Part A and Part B effective your date of retirement. **Do NOT assume you will automatically be enrolled in Medicare.**
- ◆ If you are only enrolled in Part A, please contact the Social Security Office at 800.772.1213 and sign up for Medicare Part B to be effective your date of retirement.
- ◆ If you are not enrolled in Medicare Part B effective your date of retirement, PEEHIP will only pay 20% of the Medicare allowable fees for the Part B services and you will be responsible for the remainder of the claims. Please send a copy of your and/or your dependent's Medicare card to PEEHIP.

PEEHIP **Team Up for Health** WELLNESS PROGRAM UPDATE

- ◆ **Track your Team Up for Health Wellness Program completion status:** Your Progress Wheel is available at www.MyActiveHealth.com/PEEHIP on your "My Wellness Rewards and My Required Activities" web page. This page shows the percentage of completion of all your required activities, and the action cards on this page show your specific required activities. Once you have completed all required activities and earned your wellness premium waiver, your Progress Wheel will show 100% complete.
- ◆ Due to recent extremely high call volume, please do NOT call *ActiveHealth* or PEEHIP if you are able to obtain the information you need by reading the PEEHIP Advisor or through the MyActiveHealth portal.
