

Welcome to training on the new Employer Services site.

This is the RSA's new Employer Services site.

The **Employer Services** page contains a welcome message from our new Employer Services Representative team. The ESR team members are excited to help with whatever questions you may have about Employer Self-Service. You can contact an ESR team member by calling 334-517-7005 or email [employer.services@rsa-al.gov](mailto:employer.services@rsa-al.gov).

There are two pages you can access that provide training on the new Employer Self-Service portal. Let's take a look at each one.

Click on the *Employer Services Training* link.

The **Employer Services Training** page provides brief training videos on specific Employer Self-Service topics. Use these videos to learn more about things like how to login, change contact information, submit enrollment and contribution records, or keep your bank account information up-to-date. To view one of the videos, simply click on it, then click the arrows button to view it full screen.

To access more training resources, click the link called *Employer Self-Service Training*.

The **Employer Self-Service Training** page contains training simulations, webinars, reference guides, and additional documentation about Employer Self-Service. Check back here often for more continuing education resources.

For additional information or assistance, please contact an Employer Services Representative (ESR) at 334-517-7005 or [employer.services@rsa-al.gov](mailto:employer.services@rsa-al.gov).
