

## 2023 Regular Session

The Legislature convened for the thirtieth legislative day of the Regular Session June 6, 2023, and then adjourned sine die.

The Legislature did not pass any RSA-related bills on the final day of the session. Only one RSA bill is left pending the Governor’s signature – SB 129, by Sen. Singleton, which provides FLC benefits to APOST certified commissioner and deputy commissioners of the Department of Corrections. The Governor has signed all other legislation impacting RSA passed by the Legislature this session.
