

#### **Week 4 Update**

The Legislature convened for the ninth and tenth legislative days of the Regular Session this week.

HB130, by Rep. Hill, which authorizes the St. Clair County DAY Program to participate in TRS, passed the House and is pending consideration by the Senate Finance and Taxation Education committee.

SB58, by Sen. Orr, which requires a public employee found guilty of certain offenses to use retirement contributions for restitution, passed the Senate and is pending consideration by the House Ways and Means General Fund committee.

No new bills impacting RSA were filed this week.
