

Accountant

Make a Difference in the Lives of Thousands of People

JOB DESCRIPTION & DUTIES

The Accountant is a permanent, full-time position used by the RSA. This is entry-level, professional accounting work in the application of accounting and auditing principles, methods, and procedures in the establishment, analysis, and maintenance of fiscal records.

RESPONSIBILITIES

- Posting accounting data to general ledger accounts from subsidiary reports and/or work papers; preparing journal entries, periodic financial statements, and analyses
- Maintaining and reviewing expenditure and budgetary control accounts, ledgers, journals, and other records, and preparing reports of limited complexity related to accounting and auditing assignments
- Preparing bank reconciliations, processing accounts payable and accounts receivable
- Auditing specific accounts on complex audits, conferring with supervisor on solving audit problems, reviewing completed working papers, and writing conclusions and evaluations of systems
- Verifying recorded assets, evaluating adequacy and application of accounting financial and operating controls related to compliance with established policies and procedures
- Performing related work as assigned

QUALIFICATIONS

- Excellent customer service skills including communication in-person, by telephone, and written correspondence
- Ability to multi-task
- Strong research and analytical skills
- Ability to work in a fast-paced environment
- Basic computer skills including Microsoft Word, Excel, PowerPoint, and Access
- Candidates must hold a bachelor's degree from an accredited four-year college or university with a major in Accounting

Applications and transcripts should be submitted to:

The State of Alabama
Personnel Department
64 North Union Street, Suite 300
Montgomery, AL 36130

Or through the Online Employment System at personnel.alabama.gov.

Compensable Factors *Graduation from an accredited four-year college or university with a bachelor's degree in accounting.*

Applicants may apply for this position during their last semester of college; applicants are required to submit documentation verifying completion of the degree prior to beginning work

Special Requirement *A six-month probationary period is required for this position.*

Information subject to change. Publication date January 2024.

State Employees' HEALTH INSURANCE Plan Information 2024

Below is condensed information regarding the State Employees' Health Insurance Plan (SEHIP) for active employees. Please refer to alseib.org for detailed information regarding health insurance benefits.

State Employees' Health Insurance Plan Premium	Single Coverage	Family without Spouse	Family with Spouse
Monthly Premium	\$145	\$335	\$500
Non-Tobacco User Discount	\$65	\$65	\$130
Wellness Participation Discount & Preventative Screening (if applicable)	\$50	\$50	\$100
Spousal Surcharge Waiver			\$25
Total	\$30	\$220	\$245*

*Federal Poverty Level Premium Discount is not included in the chart

PREMIUM DISCOUNTS

Non-Tobacco User Premium Discount

If neither you nor your covered spouse use tobacco products and have not used tobacco products in the last 12 months, you should submit the *State Employees' Insurance Board Non-Tobacco User Discount Application* to receive a tobacco discount of \$65 per month for you and \$65 per month for your spouse. It is your responsibility to immediately notify the SEIB if you or your covered spouse start using tobacco products while the premium discount is in place.

Wellness Participation Discount & Preventative Screening (if applicable)

The wellness participation discount and preventative screening (if applicable) is a discount of \$50 per month for you and \$50 per month for your covered spouse, provided that you participate in the SEIB Wellness Program and complete any follow-up requirements. This program requires an annual health screening and may require additional action on the part of the participant, dependent upon the findings of the screening. This is an "all or nothing" discount. This program screens employees for risk factors in the following areas:

- Blood Pressure
- Cholesterol
- Glucose
- Body Mass Index (BMI)
