Virtual Care

If you are concerned about potential coronavirus symptoms or have other health concerns, consider using virtual care with MDLive or Telehealth.

MDLive: Board Certified doctors can visit with you either by phone or secure video to help treat any non-emergency medical conditions. Visits with a physician are available 24/7 and you can conduct a visit from the comfort of your home at no cost to you. Not registered yet? Register at MDLIVE.com/HumanaMedicare or call 1-888-673-1992 (TTY: 711)
Or

Telehealth: A virtual office visit with your primary care physician or specialist.

*It is important that you seek care from providers who accept Medicare and will bill Humana

**The waiver applies to all medical costs related to the treatment of COVID-19 as well as FDA-approved medications or vaccines. Through December 31, 2021 providers will bill Medicare directly for the vaccine.
