Health FSA Carryover Funds Now Available

- ◆ If you enrolled in a Healthcare Flexible Spending Account (Health FSA) last plan year, the deadline to file for reimbursement was January 15, 2018. Any remaining funds not subject to the Carryover provision are forfeited. The Carryover provision allows you to carryover up to \$500 of unused funds remaining in your Health FSA to use in the new plan year. **Carryover funds became available for use on February 15, 2018.** If you did not re-enroll in a PEEHIP Health FSA for the plan year beginning October 1, 2017, but have Carryover funds available, HealthEquity will automatically enroll you into a Rollover Only Account. Members enrolled in a Rollover Only Account will not have access to the FSA Visa debit card and must request a reimbursement manually through HealthEquity. All rollover funds must be used by the end of the current plan year, September 30, 2018. All unused FSA funds are forfeited if you go on leave without pay, terminate employment, or retire.

Medicare-Eligible PEEHIP Members

- ◆ Get care in the comfort of your home with a UnitedHealthcare® HouseCalls visit! This benefit is for Medicare-eligible PEEHIP members covered under the UnitedHealthcare® Group Medicare Advantage PPO plan. Members may have a HouseCalls visit in addition to covered benefits at no additional cost. It is designed to support everyone, regardless of their health status, from those who are healthy to those who have complicated healthcare needs.
- ◆ What does a HouseCalls visit look like? When you agree to a HouseCalls visit, a healthcare practitioner will come to your home and spend 45 to 60 minutes with you. The appointment includes:
 - ◆ Health screenings, nutrition and wellness tips, and educational materials
 - ◆ A review of your medical history and prepare for an upcoming doctors visit
 - ◆ Establishing personalized health goals or creating a healthy action plan
- ◆ If you receive a call from UnitedHealthcare offering you a HouseCalls visit, we hope you will say “yes” if you have the opportunity. When you complete a HouseCalls visit, you can receive a \$15 Target gift card. Read more in the [PEEHIP Advisor](#).
