Team Up for Health: Wellness Program Deadline Has Passed

Members and spouses covered on PEEHIP's Blue Cross Blue Shield (Group 14000) Hospital Medical Plan: **August 31 was the deadline** to complete all required activities for the PEEHIP *Team Up for Health* Wellness Program. If you or your covered spouse were required to participate and did not complete all activities, you will incur the \$50 wellness premium this October.

However, it is still not too late to earn your waiver of the \$50 monthly wellness premium for the remainder of the upcoming plan year. Even though the deadline has passed, you can earn a prospective waiver of the wellness premium by completing your activities. Per PEEHIP policy, your waiver would begin on the 1st day of the 2nd month after you reach 100% complete. Do not delay earning your waiver any longer; click [here](#) today! Then click on "My Required Activities" to see what activities you have remaining.
