Instructions

Member must complete Part I of the Purchase Transfer Request form.

Member must sign the form, have the signature witnessed by a Notary Public, and submit the form to the plan from which the funds are to be transferred. The member should also include a copy of the service purchase letter with this form.

The plan representative must complete Part II of the Purchase Transfer Request form. The completed form and the transferred funds should be sent to the RSA at the address shown at the top of the previous page.

If the member is making direct payment for the remainder of the cost, the member should remit that payment along with a copy of the purchase letter directly to the RSA at the address shown at the top of the previous page.

This form must be submitted prior to the effective date of your service purchase. Most plans have minimum processing requirements that must be taken into account regarding the remittance of your payment; it generally takes several weeks for a plan to complete a transfer of funds.

Note for RSA-1 Participants

If your payment is being transferred from your RSA-1 Deferred Compensation Account, submit this form to RSA-1 at least fifteen (15) working days prior to the purchase date. You will additionally be required to complete the RSA-1 IN-SERVICE TRANSFER FORM TO PURCHASE PERMISSIVE SERVICE CREDIT (Form RSA-1_PURSVC). You can download the form from the website www.rsa-al.gov or contact RSA-1 at 877.517.0020 or 334.517.7000 to have it mailed to you.

This form is to be used for the purchase of permissive service credit. Permissive service is service that, by law, is eligible to be purchased by a member of the Retirement Systems.

If a member purchases credit for service based on an estimated cost, the member's account will be audited after the end of the fiscal year to ensure compliance with the law.

If the actual cost for the service credit exceeds the estimated remitted payment amount, an additional payment from the member will be required to maintain credit for the service.

If the estimated remitted payment amount exceeds the actual cost for the service credit, the member will be issued a refund.
