

Request for Proposals for Architectural and Engineering and other Services for a new Parking Facility and Energy Plant for the new State House Capital Complex

(RFP RE25-001)

I. General

The Retirement Systems of Alabama (“RSA”) is seeking proposals from qualified architectural firms to provide programming, professional design, construction administration and other related services for a new parking facility and energy plant. The anticipated location is bounded by N. Union St., King St., S. Ripley St. and McDowell Lee Lane, Montgomery, Alabama, as shown in the image below. The final size and configuration of the project will be determined during the initial architectural phase of the project.

The services to be provided in response to this RFP will be in addition to and in support of contracts for construction management services, multiple prime contracts and a Master Civil Engineer. Proposals will be received until 2:00 p.m. on January 7, 2025 at RSA's place of business (noted below) at which time the submission period will be closed.

II. Scope of Work

The scope of work will generally include (without limitation) preconstruction service (by the Owner's CM) assistance and evaluation of site, budgeting, proposal of alternate systems, design review, constructability review, bidding, value engineering (if required), scheduling assistance, production of conformance drawings, purchase order assistance and construction administration in as many packages or scenarios as is expeditious or beneficial to RSA, including without limitation, for the items set forth herein, which are generally subject to change but provided for your reference in determining your fees and assembly of the proposed team required to respond to this RFP, for the following items:

- New cast in place concrete (with architectural precast veneer) parking facility to accommodate approximately 400 cars on two levels.
- New energy plant to provide chilled water and hot water for the Alabama Capital HVAC systems.
- Additional items of work may be encountered during the performance of the services described herein.
- Note that the expectation is that the construction delivery will be in multiple packages to multiple prime contractors.
- The contract form will be a RSA standard AE Agreement with RSA terms and conditions as a master contract, with individual project components as described herein issued as individual work orders.

III. Qualification and Proposal Content

Interested proposers must submit qualifications on GSA standard form 330 along with any other relevant information. Joint ventures or other teaming arrangements must be fully described and the responsibility matrix for project tasks included.

In addition, proposers must include, at a minimum, the following:

a. Proposed fee structure, subdivided as follows:

- Proposed fee structure for basic services (with summary of services) as a percentage of the cost of the work subdivided by the building type (parking facility). In no case shall the Owner accept a fee basis greater than the currently published fee scale and will

not accept “special modifiers”. The deck will be assumed to be category 1 and the energy plant will be category 3 applied per the Schedule of Basic Fee Rates.

- - Proposed special consultants, if any.
 - Proposed or recommended additional services.
 - Proposed reimbursable expenses (no mark-up will be allowed on reimbursable expenses).
- b. Proposed project team, with descriptions of background and experience, including any proposed subcontractors.
- c. Timeframe to commence this project.
- d. Proposed consultants.
- e. CAD systems experience and capabilities.
- f. Description of reimbursable expenses expected for this project.
- g. Proposed special or limiting contract language.
- h. Special licensing or certifications with relevance to this scope of work.

VII. Special Terms and Conditions

All proposals are subject to the following terms and conditions:

1. Prohibited Contacts; Inquiries Regarding RFP. From the Release Date of this RFP until a contract is awarded, parties or persons that intend to submit, or have submitted, a Proposal are prohibited from communicating with any RSA employees to discuss the RFP or the Proposal, other than as described herein. Parties or proposers interested in submitting a Proposal may submit questions to the designated RSA contact by e-mail, seeking additional information and clarification, pursuant to the timeline set forth above. A question received after the deadline for questions regarding this RFP may not be acknowledged. Questions and answers will be published on the RSA website.
2. Nonresponsive Proposals. Any Proposal that does not satisfy requirements of the RFP may be deemed non-responsive and may be disregarded without evaluation. Clarification or supplemental information may be required from any Proposer.
3. Changes to the RFP; Changes to the Schedule. RSA reserves the right to change or interpret the RFP prior to the Proposal Due Date. Changes will be communicated via posting the changes on the RSA website; it is imperative that Proposers continue to check the RSA website for updates. Changes to the deadline for Proposals, or to the RFP timeline, or to other scheduled events may be made by RSA as RSA deems to be in its best interest.
4. Proposed Expenses. Unless otherwise specified, any reimbursable expenses to be incurred by the service provider in providing the solicited services must be disclosed in a Proposal and shall be charged at actual cost without mark-up, profit or administrative fee or charge. Only customary, necessary expenses in reasonable amounts will be reimbursable. Expenses not disclosed in the Proposal may not become part of any contract resulting from this RFP.
5. Rejection of Proposals. RSA reserves the right to reject any and all proposals and cancel this RFP if, in the exercise of its sole discretion, it deems such action to be in its best interest.
6. Expenses of Proposal. RSA will not compensate a Proposer for any expenses

incurred in the preparation of a Proposal.

7. **Disclosure Statement.** Proposals must include one original Disclosure Statement as required by Code Section 41-16-82, et seq., Code of Alabama 1975. Copies of the Disclosure Statement, and related information, may be downloaded from the State of Alabama Attorney General's website at:
<<http://ago.alabama.gov/Page-Vendor-Disclosure-Statement-Information-and-Instructions>>.

8. **Final Terms of Engagement.** Issuance of this RFP in no way constitutes a commitment by RSA to award a contract. The final terms of engagement for the service provider will be set out in a work authorization which will be effective upon its acceptance by RSA as evidenced by the signature thereon of its authorized representative. Provisions of this RFP and the accepted Proposal may be incorporated into the terms of the engagement should RSA so dictate. Notice is hereby given that there are certain terms standard to commercial contracts in the private sector use which RSA is prevented by law or policy from accepting, including indemnification and holding harmless a party to a contract or third parties, consent to choice of law other than the State of Alabama, methods of dispute resolution other than negotiation and mediation, waivers of subrogation and other rights against third parties, agreement to pay attorney's fees and expenses of litigation, and some provisions limiting damages payable by a vendor, including those limiting damages to the cost of goods or services.

9. **Beason-Hammon Act Compliance.** A contract resulting from this RFP will include provisions for compliance with certain requirements of the Beason-Hammon Alabama Taxpayer and Citizen Protection Act (Act 2011-535, as amended by Act 2012-491 and codified as Sections 31-13-1 through 35, Code of Alabama, 1975, as amended), as follows:

E-VERIFY ENROLLMENT DOCUMENTATION AND PARTICIPATION. As required by Section 31-13-9(b), Code of Alabama, 1975, as amended, Contractor that is a "business entity" or "employer" as defined in Code Section 31-13-3, will enroll in the E-Verify Program administered by the United States Department of Homeland Security, will provide a copy of its Memorandum of Agreement with the United States Department of Homeland Security regarding that program and will use that program for the duration of this contract.

10. **Boycott Prohibition Compliance.** A contract resulting from this RFP will include the following clause:

CONTRACT PROVISION MANDATED BY SECTION 31-13-9(k). By signing this contract, the contracting parties affirm, for the duration of the agreement, that they will not violate federal immigration law or knowingly employ, hire for

employment, or continue to employ an unauthorized alien within the State of Alabama. Furthermore, a contracting party found to be in violation of this provision shall be deemed in breach of the agreement and shall be responsible for all damages resulting therefrom.

Note that while questions may be submitted via email, the proposal must be submitted in the format described above. Submit questions, special requests and proposals to the following address:
