**Qualification:** Interested firms must submit their proposal, three copies, in loose bound form with the following and other relevant information:

As a minimum include the following:

- Company history and office locations.
- Current service area/radius.

- Proposed project team identifying a full time dedicated project manager and team qualifications.
- Contractor teaming arrangements or subcontract arrangements are not allowed (except for specialty contractors or consultants).
- Copy of Alabama GC license, certifications from local and state AJ and other licenses as required for performance of contract work.
- Corporations must furnish copies of registration with the Alabama Secretary of State.
- Disclosure of ongoing litigation and claims history from the last five years.
- Nonresident proposers must furnish a legal opinion of any preferences granted to proposers in their state of domicile in the letting of public contracts.
- Evidence of current bonding capacity.
- Current references from similar projects and customers.

Information must be presented in the order listed above, indexed and tabbed. Other supplemental information may be presented at the end of the required information.

Brochures are discouraged and will not be considered as part of the submittal.

Submissions will be scored by a panel for best compliance with required items- best ability to immediately provide service, financial status/standing, highest quality of service personnel and price as evaluated in the sole opinion of the panel.
