

On December 29, 2022, the SECURE 2.0 Act was signed into law. Please be advised that this new law changes the age for Required Minimum Distributions from 72 to 73, effective January 1, 2023. Accordingly, members of RSA-1 who turn 72 after December 31, 2022, will not be required to take a Required Minimum Distribution until the year in which they turn 73. Please note that if you are employed full-time, you are not required to take your RMD.
