

Specialty Network for PEEHIP

Express Scripts administers PEEHIP's specialty drug program. Under the PEEHIP prescription drug benefit, specialty medications should be filled at the participating specialty pharmacy.

PEEHIP and Express Scripts are dedicated to ensuring that you have all the resources needed to confidently manage your therapy and support successful outcomes. As a PEEHIP covered member, you have access to specialized services offered through the specialty pharmacy. These services include:

- ✓ Patient care representatives who are knowledgeable about your therapy and your health plan's coverage criteria;
- ✓ Management of your plan's prior authorization requirements;
- ✓ 24-hour on-call phone support from licensed clinical staff;
- ✓ Educational materials and supplies needed to administer your therapy;
- ✓ Prompt, discreet, and secure medication delivery to your home or other location of your choice at no additional cost to you;
- ✓ Follow-up calls once you begin therapy to find out if you have questions, taking your medication(s) properly or experiencing any side effects;
- ✓ Multilingual translation services if needed.

To enroll, please call to speak with a pharmacy representative. They will reach out to your healthcare provider to get a new prescription for you or have your specialty prescriptions transferred from your current pharmacy. For a complete list of specialty therapies available, please call or visit the participating specialty pharmacy's website listed below.
