

Specialty Network for PEEHIP

Express Scripts administers PEEHIP's specialty drug program. Under the PEEHIP prescription drug benefit, specialty medications should be filled at a participating specialty pharmacy.

PEEHIP and Express Scripts are dedicated to ensuring that you have all the resources needed to confidently manage your therapy and support successful outcomes. As a PEEHIP covered member, you have access to specialized services offered through the specialty network. These services include:

- ✓ Patient care representatives who are knowledgeable about your therapy and your health plan's coverage criteria;
- ✓ Management of your plan's prior authorization requirements;
- ✓ 24-hour on-call phone support from licensed clinical staff;
- ✓ Educational materials and supplies needed to administer your therapy;
- ✓ Prompt, discreet, and secure medication delivery to your home or other location of your choice at no additional cost to you;
- ✓ Follow-up calls once you begin therapy to find out if you have questions, taking your medication(s) properly or experiencing any side effects;
- ✓ Multilingual translation services if needed.

To enroll, please call to speak with a pharmacy representative. They will reach out to your healthcare provider to get a new prescription for you or have your specialty prescriptions transferred from your current pharmacy. For a complete list of specialty therapies available at each participating specialty pharmacy, please call or visit the respective participating specialty pharmacies' websites listed below.
