

## Week 7 Legislative Update:

The Legislature will reconvene on May 4 to finish the 2020 Regular Session, which must conclude on or before May 18. Currently, the Legislature intends to pass both budgets and uncontested local legislation. Senate and House leadership have agreed that these are the only bills that will be considered. Additionally, the Statehouse will be closed to the public, but meetings will be livestreamed on Alabama Public Television (<https://aptv.org/story.asp?StoryID=2039>).
